

DAILY PROTECTION FOR HOSPITALIZATION

This is a limited benefit policy.

Variable Income Plan (VIP) | 2021

LET'S FACE IT

Going to the hospital is expensive. The financial demands it places on you and your family can be enormous. You need protection and security. Consider this . . .

Our Variable Income Plan (VIP) Pays Cash Benefits in Addition to Other Coverage You May Have

Sometimes health insurance isn't enough to cover the cost of a hospital stay after deductibles and coinsurance are paid. Our Variable Income Plan (VIP) supplements your regular healthcare coverage by paying you dollars-per-day for any covered hospital stay. For each day you spend in the hospital, our VIP plan can pay cash benefits directly to you.*

Choose Your Option

VIP offers two options—the Preferred Plan and the Budget Plan.

Preferred Plan:

Choose \$250, \$200 or \$100 cash benefit for each inpatient hospital day. Payments begin the day you are admitted to the hospital.

Budget Plan:

Choose \$250, \$200 or \$100 cash benefit for each day in the hospital. For this option, payments begin the third day of hospital stay.

* If you assign benefits to an in-state hospital, cash benefits will be paid directly to that hospital.

Limitations / Exclusions

(See contract for complete list.)

Admissions for the following items are not covered: admissions that are not medically necessary; admissions for pre-existing conditions during the first year of coverage; obstetrical care except maternity complications in certain membership categories; substance abuse and cosmetic treatments; admissions for dental care and treatment and dental appliances; admissions outside of the United States; and admissions already in progress.

Renewability

Termination will occur if premium is not paid within 30 days after the due date.**

*** Premiums are subject to change by the company periodically. Premiums can change when you reach age 35, 50 and 65.*
